**Subject:** Enforcement extramural budget - TIME TO FUND YOUR WORK

To all ESs:

Here is the key to the chart

Orange = funded

Blue = NEEDS TO BE FUNDED

Please get your PRs in ASAP. We have a fair amount of money – as in, we can fund all of these requests and still have about \$300K that we can use to fund more – I urge you to think broadly in funding the work you need done, or think you might need done, for the next 6 months. You know how the budget goes – don't expect to see a lot of money 1<sup>st</sup> quarter
